- 4) Announcements

Introduction of new members on the JAC. Mr. Bill Luthans, EPA

BECC / NADBANK

Recent changes to the mandate which governs the Border Environmental Cooperation Commission (BECC) and North American Development Bank (NADBANK) allow for funding of air quality improvement initiatives. A brief introduction will be presented.

Mr. Fernando Macias
General Director
BECC

5) Consent Agenda Written Updates

Old Business

Several items were recommended during the previous JAC meeting. An update of accomplishments to date is requested and reported in writing on the following Action Items:

- 1) Alma Figueroa asked that the used tire issue remain on the agenda to try to find a solution to this issue, and in regards this issue JAC members would be authorized to meet w/ external agencies to try to find a solution. Alma will be the Chair of this Technical Commission.
- 2) An effort will be undertaken to place the air quality data ahead in the queue for validation purposes and presentation to the JAC.
- 3) A Technical Commission will meet to help Mexico obtain its air quality monitoring equipment.
- 4)The Task Force has the ability to defend and advocate the work of the JAC, the Junta Municipal, and INE in their Juarez Air Quality Plan. Task Force members from Mexico are encouraged to use the JAC Strategic Plan, the Juarez Air Quality Plan, and the MOU integrated into the Juarez Air Quality Plan, as the agenda for the region that can be adopted and continued by the new administration. All three components indicate essential progress that representatives of all the organizations want to see recognized and continued.
- 5) Chuy Reynoso will take the lead to work w/ the Clean Air Partnership to provide local forecasting for CO Action Days.
- 6) The Strategic Plan will be reviewed to check on progress of the 26 priority projects.

Paso del Norte O3/CO modeling study

Results from the EPA funded Paso del Norte O3/CO modeling study will be provided. A more in-depth presentation will be provided at the upcoming JAC meeting.
